## South Asian Journal of Agriculture

### Vol. 7, No. 1&2, 2016-'19

### Articles

1. **Study of Variability and Genetic Diversity of 50% Heading Date and Seed Yield in Blackgram (*Vigna mungo* L.)**  
   Rownok Jahan Dipti* and M.A. Khaleque  
   Page 1-5

2. **Socioeconomic and Environmental Conditions of Agricultural Migrants in Southwest Region of Bangladesh**  
   Mosammat Rowshan Ara  
   Page 6-14

3. **Effect of Seed Priming with Proline on Germination and Seedling Growth of Mungbean under Salt Stress** (Short communication)  
   Muhammad Abdus Sobahan  
   Page 15-18

4. **Farmers’ Problem Confrontation in Organic Farming at Magura Sadar Upazila of Bangladesh**  
   Soumitro Biswas and Md. Matiul Islam*  
   Page 19-24

5. **Planting Date Affects Growth and Yield Performance of Cauliflower (*Brassica oleracea* var. *botrytis*)**  
   Jinat Sultana, Md. Abdul Mannan, Shamim Ahmed Kamal Uddin Khan and Md. Mostofa Kamal*  
   Page 25-29

6. **Growth and Yield Response of BRRI dhan28 to Phosphorous Rates in Batiaghata Upazila of Southwestern Bangladesh**  
   Lisobi Akter Shanta, Md. Tarekul Haque, Khan Golam Quddus and Bidhan Chandro Sarker*  
   Page 30-33

7. **Livelihood Pattern of Betel Leaf Cultivators: A Case Study at Fakirhat Upazila in Bagerhat District of Bangladesh** (Short communication)  
   Tuhin Roy*, Chowdhury Anowarul Alam and M.M. Abdullah Al Mamun Sony  
   Page 34-37

8. **Effect of Plant Extracts on the Postharvest Performances of Vegetables**  
   Rubaiya Pervin, Shamim Ahmed Kamal Uddin Khan*, Sabiha Sultana, Mehnaj Tabassum and Jeba Afroz Jui  
   Page 38-43

9. **Identification of Training Needs of Teachers of Khulna University of Bangladesh**  
   Mohammad Bashir Ahmed* and Md. Abdul Mannan  
   Page 44-50

10. **Present Scenario and Problem Confrontation of Tomato (*Solanum lycopersicum* L.) Growers in Khulna District**  
    Md. Raianul Haque, Joyanti Ray* and Md. Abdul Mannan  
    Page 51-55

11. **Role of ICTs in Increasing Agricultural Production as Perceived by the Coastal Farmers**  
    Page 56-60

12. **Time Spent and Academic Study Behavior of the Students of Agrotechnology Discipline of Khulna University of Bangladesh**  
    Sadia Tasnin Jhumur, Mohammad Bashir Ahmed* and Md. Rejaul Islam  
    Page 61-66

13. **Effect of Different Media and pH on Mycelial Growth of *Sclerotium oryzae* Causing Sheath Rot of Rice** (Short communication)  
    Md. Iqbal Ahmad, Avijit Kumar Biswas, Mst. Sabiha Sultana, Bidhan Chandro Sarker and Chhoa Mondal*  
    Page 67-72
